

amazon smile

You shop. Amazon gives.

Recently launched in the UK, AmazonSmile now offers a 0.5% donation on each order to a connected charity on each purchase made through their website <https://smile.amazon.co.uk/>

Help us further by logging on, choosing your purchases through this new version of Amazon & donating to Hope Community, through those last minute impulses.

AmazonSmile first launched in the USA, and then expanded to the UK in November 2017, in time for Christmas, to benefit an initial group of 11 major charities.

These included Cancer Research UK, The British Red Cross and The Royal British Legion. Now, however, small and large charities can sign up to benefit from it.
