

Exciting New Projects

We will be starting a football project for boys aged between 9 and 14 years on 10th October 2018 on Heath Town Astro at 5.00pm till 7.00pm. All boys welcome. We have secured funding from Believe 2 Achieve who will deliver the football with trained coaches. There is NO COST

We have also been funded by Black Country Arts to start a project where we can take children young people and adults to art productions. This will also give people the opportunity to create sing, dance and preform their skills

I will be hosting an event on 29th October please look out for the flyer for more information. This will be in half term and is for family's children and young people

Safer Partnerships have funded us to deliver a GAP (Gangs Awareness Project) which will educate young people and parents on gang activity. We will also be looking at the history of gangs and how they have changed over generations.

Please contact Diane Garbett on 07482249745 for more information. We welcome new children young people and families
